

2026 Downtown Rolesville Farmers Market Sponsorship Form

The Downtown Rolesville Farmers Market (DRFM) is excited to announce our 9th season!

Our weekly outdoor markets will run through June 27th, then resume August 15th through November at our new location in Cobblestone:

📍 108 S Main Street, Rolesville, NC

Each month, local farmers, growers, bakers, artisans, and producers will offer the community a wide variety of fresh and locally made products. The majority of items sold at the DRFM are locally grown, raised, produced, created, or crafted by the vendors themselves.

We are also excited to share that we have opened our year-round Market Store in Cobblestone, which includes a meeting and event space for the community.

In addition to promotions on our social media platforms, newsletter, and website, sponsors will also have opportunities for in-store advertising.

We look forward to seeing you at the market this season!

The Goal of the DRFM

The Downtown Rolesville Farmers Market, a 501(c)(3) nonprofit organization, is a farmers market dedicated to offering a variety of locally sourced produce, meats, baked goods, handmade products, and artisan goods while educating the community on the benefits of eating fresh and local.

Our mission also includes supporting local entrepreneurs by providing opportunities for them to sell their locally produced items. This year, we are especially excited to continue highlighting our young creators through a special youth vendor booth program.

Benefits of the DRFM

- Connecting community members with local farmers, meat producers, artisans, and small businesses
- Educating the community about the benefits of eating fresh and local
- Helping preserve local farms
- Providing growers and makers opportunities to sell directly to customers
- Supporting the growth of small businesses to strengthen the local economy
- Sharing local nonprofits with the community to help raise awareness
