

## 2022 The Downtown Rolesville Farmers Market Sponsorship Form

The Downtown Rolesville Farmers Market (DRFM) is getting ready for our exciting 5th season. Weekly markets will be starting on March 19 and go through Oct 30. We will be at a new location this season, 302 S Main St. Every Month our local farmers and producers will be able to offer the public a wide selection of their products. The majority of items sold at the DRFM are locally grown, raised, produced, created, or crafted by the vendor themselves.

**The Goal of the DRFM:** The Downtown Rolesville Farmers Market is a seasonal market. The goal of the DRFM is to offer a variety of locally sourced produce and meats as well as educate the community on the benefits of eating fresh and local. We also want to support all the local entrepreneurs by offering a place for them to sell their locally produced items.

The benefits of the DRFM include;

- Connecting community members with local farmers and meat producers.
- Educating about the benefits of eating fresh and local
- Helping to preserve our local farms.
- Provides growers with effective opportunities to sell directly to customers
- Supporting the growth of small businesses to improve the local economy
- **Sponsorship:** For the DRFM to be successful, help is needed to fund costs associated with market programs. We hope that you will become a sponsor of the Market, and that you consider such a donation as an investment in your community. Below are the various sponsorship levels along with associated rewards.
